## Customizable HIPAA and OSHA Manuals

## HIPAA and OSHA Officer Training

## Staff Compliance Training

## Fraud, Waste, and Abuse | OIG | Other Compliance

Compliance with applicable laws, regulations, contracts, and policies can be an overwhelming and expensive task.

SVMIC continues to build upon our successful and popular Compliance Center, which now includes the OSHA Safety Officer customizable manual, resources, forms, and officer and staff training and a HIPAA Officer customizable manual, resources, forms, and officer and staff training.

Compliance Officers are able to build complete customized manuals for their medical practices, as well as receive all necessary Officer training via SVMIC's Compliance Center.

We continue to add more staff training options so that the Compliance Center provides the courses that practice employees need annually, in the comfort and convenience of your own office.

As healthcare continues to evolve, practices must make and implement informed decisions. SVMIC can assist in this process. **These services are included in the premium you already pay and are provided at no additional charge.**

## CUSTOMIZABLE MANUALS

### OSHA and HIPAA

Practice compliance officers are able to use SVMIC's secure Vantage® Compliance Center to create a custom HIPAA and OSHA manual for their practice, including all associated forms and resources.

Upon being designated a Compliance Officer by a physician or administrator in Vantage, the user has access to the full suite of tools and resources needed to create, save, download, and/or print the custom manuals, as well as receive notifications when there are updates to the content.

## HIPAA AND OSHA OFFICER TRAINING

SVMIC also provides, through the Compliance Center, all the necessary training for OSHA and HIPAA officers, via video modules which cross-reference the custom manual sections.

## STAFF COMPLIANCE TRAINING

Because we recognize that compliance is important to our members, SVMIC is proud to continue evolving and improving our Compliance Center. We have added more staff training options for 2025 so that the Compliance Center provides the courses that practice employees need annually, in the comfort and convenience of your own office.

Courses include:

- HIPAA for Medical Practice Staff
- Compliance and Ethics
- General OSHA Compliance
- OSHA Bloodborne Pathogens
- Workplace Violence Prevention
- Cybersecurity
