

## DESCRIPTION & AVAILABLE CREDIT

**Title:** *Arming Yourself for a Medical Malpractice Battle, Part 1*, presented by Wendy L. Longmire, JD

**Physician Attendees (No Fee):** 2 CME Credits and a 10% Premium Discount

**Non-Physician Attendees (No Fee):** Certificate of Participation (No Premium Discount)

A medical malpractice lawsuit and attendant navigation of the legal system can be the most stressful event in a provider's career and can lead to emotional trauma, burnout, distrust of patients, over-ordering of tests, and other consequences that present a risk to patient safety and the wellbeing of the provider. Many of these consequences are due to a lack of understanding of the process and a feeling of loss of control. A better understanding of the legal process and elements of a malpractice case will help to reduce those consequences and feelings as well as educate providers on proactive measures that can be taken to reduce the risk of medical error. This seminar (Part 1) will examine in detail an actual malpractice lawsuit from the pre-suit events through the deposition phase and will include reenactment of actual deposition testimony dissecting the positives and negatives of the provider's testimony. Topics such as effective communication and improved documentation will be discussed not only from a patient safety standpoint, but also as they relate to the defense of a malpractice claim.

Attendees signing in within 7 minutes after the seminar start time and staying until the end of the program will receive 2 CME/CE hours. Attendees signing in 8-20 minutes after the seminar start time and staying until the end of the program will receive 1.75 CME/CE hours. **No one will be permitted to sign in or attend the program after 20 minutes.**

## CME INFORMATION

**Accreditation:** This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the University of Tennessee College of Medicine (UTCOM) and SVMIC. The UTCOM is accredited by the ACCME to provide continuing medical education for physicians.
